Speech is only half the story; 9. Who or what the hands portray; 10. A glimpse of the unguarded mind in action; 11. Some philosophical and practical implications; References; Index
Sommario/riassunto	Are you saying one thing whilst your hands reveal another? Are you influenced by other people's body language without even knowing it? Darting through examples found anywhere from the controlled psychology laboratory to modern advertising and the Big Brother TV phenomenon, official Big Brother psychologist Geoffrey Beattie takes on the issue of what our everyday gestures mean and how they affect our relationships with other people. For a long time psychologists have misunderstood body language as an emotional nonverbal side effect. In this book Geoffrey Beattie ranges across th
