Sommario/riassunto

Blending academic theory with policy guidelines and practical suggestions, this book provides a review of current approaches to assessment and Intervention For Children With Emotional And Behavioural Difficulties. It incorporates a discussion of government guidelines on policy and provision with schools and LEAs and reviews a range of successful innovations in intervention. Specific areas are covered, including Exclusion, Integration And Emotional Abuse.; Five Recurring Themes permeate the whole book, these being: the effects of government legislation on all aspects of EBD assessment and provi
