| Nota di contenuto | pt. 1. Perspectives -- pt. 2. Assessment and course -- pt. 3. Management. |
| Sommario/riassunto | In the fourth edition of this accessible and comprehensive book, Bryan Lask and Rachel Bryant-Waugh build on the research and expertise of the previous three editions. First published in 1993, this was the first book of its kind to explore eating disorders in children and young adolescents, a population that is very different from those in their late teens and adulthood. The contributors' experience and knowledge have increased and the field has moved forward over the past 20 years. This fully revised edition offers a distillation of current information relating to the younger |
