Sommario/riassunto

Organised Sexual Abuse offers a comprehensive, interdisciplinary investigation of this phenomenon. Since the early 1980s, social workers and mental health professionals around the globe have encountered clients reporting sexual abuse by organized groups or networks. These allegations have been amongst the most controversial in debates over child sexual abuse, raising many unanswered questions. Are reports of organized abuse factual or the product of moral panic and false memories? If these reports are true, what is the appropriate response? The fields of child protection and psycho
