Epstein; 7. Health Care One More Time -Richard A. Epstein 8. A Mad Scramble for Infrastructure Dollars -James L. Huffman9. Defending an Open World Economy -Jagdish Bhagwati; Contributors; Index
Sommario/riassunto	A team of expert contributors analyze the near- and long-term implications of efforts by both the Obama and Bush administrations to fix the current financial crisis. They examine a range of issues affected by the proposed reforms, including health care, "going green," the Employee Free Choice Act, an open world economy, and more.
