Sommario/riassunto	Community Palliative Care examines the complex support and information needs of seriously ill patients and their families and will encompass not only the patient's journey, but that of the family during the illness trajectory and into the bereavement period. The text is divided into three sections- professionals, patients and carers. The first section discusses the roles and contributions made by other members of the primary health care team and examines the role of the nurse.

Section two explores the psychosocial support needed by patients receiving palliative care, and looks a

Nota di contenuto	Introduction -- 1982/1985-1991: a militia of professional revolutionaries for the disinherited fringe -- 1999-2000: a state within the state, the Vietcong in the heart of Singapore -- 2000-2009: a model of restored pride, a contested national party -- Documents of the Hezbollah: open letter, february 16, 1985; political charter, november 30, 2009.
Sommario/riassunto	For thirty years, Hezbollah has played a pivotal role in Lebanese and global politics. That visibility has invited Hezbollah's lionization and vilification by outside observers, and at the same time has prevented a clear-eyed view of Hezbollah's place in the history of the Middle East and its future course of action. Dominique Avon and Anaïs-Trissa Khatchadourian provide here a nonpartisan account which offers

insights into Hezbollah that Western media have missed or misunderstood. Now part of the Lebanese government, Hezbollah nevertheless remains in tension with both the transnational Shiite community and a religiously diverse Lebanon. Calling for an Islamic regime would risk losing critical allies at home, but at the same time Hezbollah's leaders cannot say that a liberal regime is the solution for the future. Consequently, they use the ambiguous expression "civil but believer state." What happens when an organization founded as a voice of "revolution" and then "resistance" occupies a position of power, yet witnesses the collapse of its close ally, Syria? How will Hezbollah's voice evolve as the party struggles to reconcile its regional obligations with its religious beliefs? The authors' analyses of these key questions-butressed by their clear English translations of foundational documents, including Hezbollah's open letter of 1985 and its 2009 charter, and an in-depth glossary of key theological and political terms used by the party's leaders-make Hezbollah an invaluable resource for all readers interested in the future of this volatile force.
