Sommario/riassunto	Elements of Genocide provides an authoritative evaluation of the current perception of the crime, as it appears in the decisions of judicial authorities, the writings of the foremost academic experts in the field, and in the texts of Commission Reports. Genocide constitutes one of the most significant problems in contemporary international law. Within the last fifteen years, the world has witnessed genocidal conduct in Rwanda and Bosnia and Herzegovina, while the debate on the commission of genocide in Darfur and the DR Congo is ongoing. Within the same period, the prosecution of suspected
