Sommario/riassunto

Auditing has hit the headlines over recent years, and for all the wrong reasons, and in today's environment, the result of negligent auditing can be serious resulting in sizeable fines and even withdrawal of audit registration which can be costly in terms of fee income. Frequently Asked Questions in International Standards on Auditing presents the relevant standards in a concise and jargon-free way, enabling auditors to appreciate the reasoning behind the standards and undertake audit work effectively. This book focuses on the main areas of the auditing standards and also addre

Sommario/riassunto	In the last few years, competition has become increasingly more complex, variable and dynamic, as can be seen in phenomena like globalization and technological acceleration. To cope with the dynamism and uncertainty of competition, enterprises need capabilities that enable them to respond to competition, as well as to improve their analytical skills and knowledge in order to better manage new strategic projects.Strategic analysis uses both quantitative and qualitative tools to understand both competitive contexts and available company resources. In Strategic Analysis: Proc
