Sommario/riassunto	The headscarf is an increasingly contentious symbol in countries across the world. Those who don the headscarf in Germany are referred to as ""integration-refusers."" In Turkey, support by and for headscarf-wearing women allowed a religious party to gain political power in a strictly secular state. A niqab-wearing Muslim woman was denied

French citizenship for not conforming to national values. And in the Netherlands, Muslim women responded to the hatred of popular ultra-right politicians with public appeals that mixed headscarves with in-your-face humor. In a surprising way, the headscarf-a g
