Sommario/riassunto	This collection explores the contributions of Hispanic women writers to ongoing Western debates on gender, power, ethics, and the environment, offering a wide range of essays that specifically portray the ways in which contemporary writers focus on issues of global impact in a deliberate and purposeful manner. The contributors analyze texts pertaining to all literary genres, examining a myriad of ethical, philosophical, and political perspectives including feminism, postcolonial theories, cultural and gender studies, information age studies, and ecofeminism.
