Sommario/riassunto	The transition phase from primary to secondary school is a time of

massive personal, physical, psychological and social change. Not only is it a difficult time for the young adolescent, but it is also a challenging time for parents, teachers and anyone working with young people experiencing such substantial changes in their lives. In this highly accessible book, Angie Wilcock offers clear, practical, and realistic tips and strategies to support teachers' and parents' understanding of this difficult transition stage. If you are concerned that your child or pupil may have difficulty coping with t
