Feminist theory;; v. 21 Disciplina 305.42/01 305.4201 Soggetti Feminist theory Marxist criticism Materialism Lingua di pubblicazione Inglese **Formato** Materiale a stampa Livello bibliografico Monografia Note generali First published in 1993. Includes bibliographical references and index. Nota di bibliografia Nota di contenuto 1. Materialist feminism in the postmodern academy: toward a global social analytic -- 2. The materiality of discourse: feminism and post-Marxism -- 3. The feminist standpoint, discourse, and authority: from women's lives to ideology critique -- 4. New woman, new history. Sommario/riassunto This work explores the impasses in materialist feminist work on rethinking the concept of woman as a discursively constructed subject. It looks at the problem of examining critically the social dimensions on which theories of discourse are premised: how such theories understand materiality; the relation between women's experience and

feminist politics, and that between history and discourse.
