Sommario/riassunto

What is the relationship between design, sustainability, inner values and spirituality? How can we create designs that provide a convincing alternative to unsustainable interpretations of progress, growth, consumerism and commercialism? Building on the arguments first advanced in his widely acclaimed books *Sustainable by Design* and *The Spirit of Design*, Stuart Walker explains how we can achieve the systemic changes needed to address the challenges of sustainability. Challenging common assumptions about the nature of our contemporary material culture and its r
