Sommario/riassunto	Winner of a Scotsman Fringe First Award 2014. If you pinned me against a wall and put a gun to my head, I'd probably admit to being a liberal. Actually if you pinned me against a wall and put a gun to my head, I'd probably admit to being whatever you wanted me to be. And of course, putting a gun to my head is exactly what I'd expect from someone like you. Confirmation is a show about the gulf between beliefs that we can't talk across. About our knee-jerk dismissal of the opposing viewpoint. About the echo chamber of agreement and validation we live in. About the way we choose only to see the evidence that proves we're right. A new solo show from a multi Fringe First winning team: written and performed by Chris Thorpe (Unlimited Theatre, Third Angel), developed with and directed by Rachel Chavkin (The TEAM).
