Sommario/riassunto	Approximately 80 percent of the world's population now owns a cell phone, which can hold evidence or contain logs about communications concerning a crime. Cameras, PDAs, and GPS devices can also contain information related to corporate policy infractions and crimes. Aimed to prepare investigators in the public and private sectors, Digital Forensics for Handheld Devices examines both the theoretical and practical aspects of investigating handheld digital devices. This book touches on all areas of mobile device forensics, including topics from the legal,

Note generali	Description based upon print version of record.
Nota di contenuto	Cover; Half-title Page; Title Page; Copyright; Contents; Characters; First Act; I; II; Second Act; III; IV
Sommario/riassunto	A young man lives alone with his mother and his beloved dog in a house in a small village overlooking the fjord. The dog has run off and gone missing. This has never happened before... In The Dead Dogs, lives are shockingly disrupted by an event that changes the direction of their future. Fosse's drama explores life lived in unexpected ways, with a sense of otherness pervading the present and colouring the characters' relationships.
