Sommario/riassunto	This volume provides a critical and in-depth investigation of the relationship between alter-globalist thinking and practices and their popular discourses. It examines the ways in which several alter-globalist activist groups (like Indymedia, no-borders campaigns, and forms of climate change activism), as well as left-wing intellectuals and academics (like Michael Hardt, Al Gore, Antonio Negri, Hakim Bey, and Geert Lovink), mobilize problematic discourses, tools, and divisions in an attempt to overcome gendered, raced, and classed oppressions worldwide. The book draws out how these mobiliza
