Nota di contenuto	Introduction -- Part 1. Emergence of transnational activities of migrant organizations: towards a theoretical framework -- Part 2. Migrant organizations' impact on countries of origin and countries of arrival -- Part 3. How transnational political spaces influence migrant organizations: impact of the countries of origin, countries of arrival, third countries and supranational political opportunities -- Part 4. National governance and integration of transnational migrant organizations -- Conclusion.
Sommario/riassunto	Migrant organizations are of vital importance for countries of residence and countries of origin, but the empirical and theoretical knowledge of the cross-border character of migrant organizations remains

incomplete. It is clear that migrant transnationalism challenges the governance of nation-states on the local and national levels. This book, the outcome of an ECPR joint session, systematically and empirically analyzes the differing roles that transnational migrant organizations play in their countries of residence and origin. Drawing on research conducted in Belgium, England, Germ
