	Sommario/riassunto	The impact of the United Nations ""Healthy Prisons"" initiative has highlighted the importance of health and health promotion in incarcerated populations. This invaluable book discusses the many health and medical issues that arise or are introduced into prisons from the perspective of both inmates and prison staff. Health and Health

Promotion in Prison places key issues in prison healthcare into a historical perspective and investigates contemporary policy drivers. It then addresses the significant legal issues relating to health in prison settings and the human rights implic
