| Sommario/riassunto | When a tragic plane crash took the life of singer and actress Jenni Rivera on December 9, 2012, the world lost an artist whose talents transcended borders and even languages. One of this generation's most beloved singers, Rivera achieved 15 platinum and 5 double platinum records while selling more than 15 million albums total. Popular in both the United States and Mexico, Rivera played to sold-out crowds across North America, and in 2009, she was nominated for a record 11 Bill |
