---

Sommario/riassunto

Selected Works of Mao Tse-Tung, Volume V focuses on the positions of Mao Tse-Tung on communism, revolution, national unity, and patriotism. The volume first offers information on the socialist revolution and construction, taking into consideration the unity of Chinese people and acknowledgement of the bravery of comrades who gave up their lives in the people's war of liberation. The book also takes a look at the call for Chinese People's Volunteers to support the Korean people's war of liberation. The book focuses on the points of the resolution adopted at the meeting of the political bureau o
