| Sommario/riassunto      | While distinguished academies of higher learning, governments, politicians, and the media struggle to find solutions to the imminent dangers posed to the Middle East and the world at large, a devastating human rights war has unfolded, with precious few warriors to combat it, let alone stem the brutal injustice that is of holocaust dimensions. If                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |

there is any scourge that puts Civilization at Risk, it is the malignant  
disregard for the human rights of millions of people, who suffer slavery  
an...
