Sommario/riassunto

Ease the M&A process with a more effective integration plan The Complete Guide to Mergers and Acquisitions is the ultimate handbook for planning and managing post-merger integration. Packed full of "how to" guidance, tools, templates and resources that have been put to the test on numerous due diligence and integration efforts around the world, The Complete Guide to Mergers and Acquisitions has been the go-to guide for firms seeking to maximize the value of their deals since the release of the first edition in 1999. Poor integration management virtually ensures that
