### Sommario/riassunto

Learn from master therapists and bring your skills to the next level  
Bringing a breath of fresh air to the therapy profession, this compelling and thoughtful resource urges readers to move from competency to full mastery in the mental health field. Combining the findings of hundreds of previous studies, interviews with a wide range of master therapists, own unique experiences and perspectives, Jeffery A. Kottler and Jon Carlson have devised a guide that takes therapists out of their comfort zones. Professionals in the fields of psychology, counseling, social work, and human services
