Sommario/riassunto	Nicholas Onuf is a leading scholar in international relations and introduced constructivism to international relations, coining the term constructivism in his book <i>World of Our Making</i> (1989). He was featured as one of twelve scholars featured in Iver B. Neumann and Ole Wæver, eds., <i>The Future of International Relations: Masters in the Making?</i> (1996); and featured in Martin Griffiths, Steven C. Roach and M. Scott Solomon, <i>Fifty Key Thinkers in International Relations</i> , 2nd ed. (2009). This powerful collection of essays clarifies Onuf's approach to
