Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Bibliographic Level Mode of Issuance: Monograph
Nota di bibliografia	Includes bibliographical references and index.
Sommario/riassunto	This text investigates the limits of scientific naturalism. It has three goals: to show that no wholly impersonal account of reality can be adequate to all phenomena; to formulate a non-Cartesian account of the first-person perspective; to develop a 'near-naturalism' that accommodates the world of our encounters and interactions.
