Nota di contenuto ""Front Matter""; ""Preface and Acknowledgments""; ""Contents""; ""1 Where Are Scientists and Engineers Working Today? Data from the National Science Foundation""; ""2 Harnessing Experience to Improve Opportunities: Best Practices and Innovative Ideas""; ""3 Changing the Game: Key Themes and Suggested Actions""; ""Appendix A: Statement of Task""; ""Appendix B: Questions for Discussion""; ""Appendix C: Workshop Agenda""; ""Appendix D: Biographies of Speakers""; ""Appendix E: Speakers and Participants"" "Appendix F: National Science Foundation Info Brief Diversity in Science and Engineering Employment in Industry"""Appendix G: List of Selected Literature"" "Advancing Diversity in the US Industrial Science and Engineering Sommario/riassunto Workforce is the summary of a workshop held in May, 2012 by the National Academy of Engineering, focusing on the needs and challenges facing industry in particular, and it is intended to facilitate further discussion and actions to address these complex issues. The workshop provided a forum for leaders from industry, academia, and professional associations to share best practices and innovative

approaches to recruiting, retaining, and advancing women and

underrepresented minorities in the scientific and engineering workforce throughout the nation's industries."--
