| Nota di contenuto | Introduction. first to fall: fertility, American women, and revolution -- Starting, spacing, and stopping: the statistics of birth and family size -- Old ways and new -- Women's words -- Beauty and the bestial: images of women -- Potions, pills, and jumping ropes: the technology of birth control -- Increase and multiply: embarrassed men and public order -- Reluctant revolutionaries -- Conclusion. fertility and the feminine in early America. |
| Sommario/riassunto | In the Age of Revolution, how did American women conceive their lives and marital obligations? By examining the attitudes and behaviours surrounding the contentious issues of family, contraception, abortion, sexuality, beauty, and identity, this book demonstrates that many women - rural and urban, free and enslaved - began to radically redefine motherhood. They asserted, or attempted to assert, control over their bodies, their marriages, and their daughters' opportunities. |
