Sommario/riassunto	Benjamin Pogrund, who spent 26 years as a journalist in South Africa investigating apartheid and who has been living in Israel for the past 15 years, investigates the accusation that Israel is practicing apartheid and the motives of those who make it. His study is founded on a belief in Israel, combined with frank criticism, to provide a balanced view of

Israel's strengths and problems. To understand Israel today, one must first look at the past and so the book first outlines key foundational events to explain current attitudes. It then explores the contradictions found in the region, includin
