Note generali	Includes index.
Sommario/riassunto	Digital Design Essentials takes a practical, highly accessible approach to creating graphical user interface designs for desktop, mobile, and touch screen devices. Written by an expert in the realm of digital design, this comprehensive, step-by-step guide demonstrates how to apply design principles in a variety of desktops, web pages, mobile devices and other touchscreens. Filled with straight forward strategies in a visual format, it's an essential volume for any designer working in the digital realm.
