Sommario/riassunto

In Contemporary Collecting: Objects, Practices, and the Fate of Things, Kevin M. Moist and David Banash have assembled several essays that examine collecting practices on both a personal and professional level. These essays situate collectors and collections in a contemporary context and also show how our changing world finds new meaning in the legacy of older collections. Arranged by such themes as "Collecting in a Virtual World," "Changing Relationships with Things," "Collecting and Identity-Personal and Political,"
