Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and index.
Sommario/riassunto	Iran is currently experiencing the most important change in its history since the revolution of 1979 and the establishment of the Islamic Republic: The regime in Tehran, traditionally ruled by the Shia clergy, is transforming into a military dictatorship dominated by the officers of the Islamic Revolutionary Guards Corps (IRGC; Sepah-e Pasdaran-e Enqelab-e Eslami). This transformation is changing not only the economy and society in Iran, but also the Islamic Republic's relations with the United States and its allies.
