Sommario/riassunto	The only manual for faculty and staff who work directly with student organizations Advising Student Groups and Organizations is a one-of-a-kind book that equips faculty members and administrators to competently and confidently serve as advisers to clubs and other student groups. The second edition is here to help colleges and universities keep up with the skyrocketing number of student groups and shifts in the legal landscape. New chapters on crucial topics, updated case studies, and a full suite of practical resources simplify the process of navigating student organizations. With Advising Stu
