Sommario/riassunto

Steel your team against the unexpected by planning for uncertainty
Extraordinary Outcomes presents an innovative approach to thinking and planning, giving leaders a playbook for dealing with uncertainty. Written by internationally recognized authorities on problem solving and creativity in organizations, this book provides an alternative outlook on business strategy and people management for leaders navigating uncertain waters, where the future is anything but guaranteed. The framework is the result of research in multiple fields and the authors' experiences with individuals, teams, and organ
