Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and index.
Sommario/riassunto	Origins of Form will make readers-especially those who design and build-aware of their physical environment. Williams' practical, no-nonsense approach and his exquisite drawings provide a clear understanding of what can and cannot be, how big or small and object should be, how its function will relate to its design, how its use will change it, and what laws will influence its development.
