**Sommario/riassunto**

This collection documents the efforts of the Prison Communication, Activism, Research, and Education collective (PCARE) to put democracy into practice by merging prison education and activism. Through life-changing programs in a dozen states (Arizona, Colorado, Illinois, Indiana, Massachusetts, Michigan, New Jersey, Ohio, Pennsylvania, Texas, Virginia, and Wisconsin), PCARE works with prisoners, in prisons, and in communities to reclaim justice from the prison-industrial complex.
