Sommario/riassunto

How can you foster spiritual growth in older people?</br></br>This multidisciplinary work re-examines issues of aging with dignity and spiritual meaning. Aging, Spirituality, and Pastoral Care: A Multi-National Perspective brings together chaplains, pastors, counselors, and health care practitioners in all walks of gerontology from around the world to present a fully rounded picture of the spiritual needs and potentialities of this fast-growing population. It also includes a study of the spiritual awareness of nurses working in six different nursing homes, as well as a model for a parish nursi
