Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Research with young people -- Ethical and methodological considerations -- The body -- Home -- Neighbourhood and community -- Nation -- Global -- Institutions -- Public space and the street -- Migrations, mobilities, and transitions -- Urban-rural.
Sommario/riassunto	Young People, Place and Identity offers a series of rich insights into young people's everyday lives. What places do young people engage with on a daily basis? How do they use these places? How do their identities influence these contexts? By working through common-sense understandings of young people's behaviours and the places they occupy, the author seeks to answer these and other questions. In doing so the book challenges and re-shapes understandings of young people's relationships with different places and identities. The textbook is one of the first books to map
