Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	What was wrought : self-analysis -- What was sought : nonverbal communication -- What was thought : the dialectics of influence.
Sommario/riassunto	Over the course of a 50-year career, James T. McLaughlin has sought to open the playing field of psychoanalytic exploration by treating unconscious processes as the very material from which we fashion meaningful lives. His unique, iconoclastic perspective, which challenged the conventions of his time and professional milieu, not only engages the creative tension between the stance of the analyst and the stance of the healer, but also contains striking intimations of contemporary relational and interpersonal models of psychoanalytic treatment. The Healer's Bent, which thematically integr
