Sommario/riassunto	The second scientific World Kurdish Congress was held in October 2012 at Hewler with the theme of improving the quality of life, science and culture for progress in Kurdistan. The papers presented focused on various important aspects of culture, economy, education, health, industry and political science in Kurdistan. The objective of this conference was to create a network of academicians to exchange and develop knowledge and work together with the Kurdistan Regional Government on how to furt...
