The Legacy of 1989 and 1990 -- AFTERWORD TO THE NEW EDITION. Revisiting 1989-1990 and the Origins of NATO Expansion -- Acknowledgments -- Notes -- Bibliography -- Index
Sommario/riassunto	1989 explores the momentous events following the fall of the Berlin Wall and the effects they have had on our world ever since. Based on documents, interviews, and television broadcasts from Washington, London, Paris, Bonn, Berlin, Warsaw, Moscow, and a dozen other locations, 1989 describes how Germany unified, NATO expansion began, and Russia got left on the periphery of the new Europe. This updated edition contains a new afterword with the most recent

evidence on the 1990 origins of NATO's post-Cold War expansion.
