Sommario/riassunto

The largest-ever sexual survey of American women Bigger by far than the Kinsey Report or any other sexual study of American women, the Cosmo Report is a landmark work about female behavior. The report is based on the responses of more than one hundred thousand readers of Cosmopolitan magazine to a questionnaire about their sexual habits and preferences. But what makes the book more than a mere set of statistics-however revealing-is that many of the respondents augmented their replies with highly personal letters detailing the sexual practices they engaged in, the ones they most enjoyed, the on
