Sommario/riassunto	"More than 10 years ago, the IOM released its landmark report on patient safety, To err is human: building a safer health system. The 2011 Rosenthal lecture featured the Honorable Kathleen G. Sebelius, Secretary of the U.S. Department of Health and Human Services, who presented the new steps that HHS is taking to improve patient safety. A panel of leaders in patient safety followed to discuss patient safety progress and opportunities"--Publisher's description.
