Sommario/riassunto

Unconventional Anthroponyms: Formation Patterns and Discursive Function continues a series of collective volumes comprising studies on onomastics, edited by Oliviú Felecan with Cambridge Scholars Publishing. Previous titles in this series include Name and Naming: Synchronic and Diachronic Perspectives (2012) and Onomastics in Contemporary Public Space (2013, co-edited with Alina Bughesiu). In contemporary naming practice, one can distinguish two verbal (linguistic) means of nominal referenti...
