Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and index.

Nota di contenuto

Living under the cloud -- Unearthing yellow monsters -- Home on the range -- Locally grown -- Writing down names -- Critical mass -- Conclusion.

Sommario/riassunto

"In this incredibly important book, Sarah Alisabeth Fox effectively shows how the stories of regular people are to be trusted more than the words of the government and the experts when the latter are lying in a misguided attempt to protect national security."-Doug Brugge, professor of public health and community medicine at Tufts University School of Medicine<DIV></DIV>
