Sommario/riassunto	The protection of the right to freedom of thought, conscience and religion is one of the most basic tenets of a democratic society. This right is not only crucial for those who believe, but is also so for atheists, agnostics and sceptics who have no religious beliefs. It is also considered a cornerstone of a democratic society and is closely linked to pluralism, tolerance and open-mindedness. Turkey has been involved in an accession process in order to become a full member of the European Un...
