The Valor of Ignorance; Chapter 4. Success, Motivation, Mistakes, and Uncertainty; Chapter 5. Reconsidering the Hubris of Past and Present; Chapter 6. Summary and Conclusion; Index; A; B; C; D; E; F; G; H; I; J; K; L; M; N; O; P; Q; R; S; T; U; V; W
Sommario/riassunto	Keith Payne begins by asking, ""Did we really learn how to deter predictably and reliably during the Cold War?"" He answers cautiously in the negative, pointing out that we know only that our policies toward the Soviet Union did not fail. What we can be more certain of, in Payne's view, is that such policies will almost assuredly fail in the Second Nuclear Age -- a period in which direct nuclear threat between superpowers has been replaced by threats posed by regional ""rogue"" powers newly armed with chemical, biological, or nuclear weapons. The fundamental problem with deterrence theory is th

Nota di contenuto	Qur'an and conquest -- The "greater jihad" and the "lesser jihad" -- The crystallization of jihad theory: crusade and counter-crusade -- Jihad during the nineteenth century: renewal and resistance -- Radical Islam and contemporary jihad theory -- Globalist radical Islam and martyrdom operations -- The rise of jihadi states.
Sommario/riassunto	"First published in 2005, Understanding Jihad unraveled the tangled historical, intellectual, and political meanings of jihad within the context of Islamic life. In this revised and expanded second edition, author David Cook has included new material in light of pivotal events over the past ten years, such as the revolutionizing events of the Arab Spring, the death of Osama bin Laden, and the rise of new Islamic factions such as ISIL. Jihad is one of the most loaded and misunderstood terms in the news today. Contrary to popular understanding, the term does not mean "holy war." This judiciously balanced, accessibly written, and highly relevant book looks closely at a range of sources from sacred Islamic texts to modern interpretations of the term, opening a critically important perspective on the role of Islam in the contemporary world. As David Cook traces the practical and theoretical meanings of jihad, he cites from scriptural, legal, and newly translated texts to give readers a taste of the often ambiguous

information that is used to construct Islamic doctrine. He looks closely at the life and teaching of the Prophet Muhammad and at the ramifications of the great Islamic conquests in 634 to 732 A.D. He sheds light on legal developments relevant to fighting and warfare, and places the internal, spiritual jihad within the larger context of Islamic religion. He describes some of the conflicts that occur in radical groups and shows how the more mainstream supporters of these groups have come to understand and justify violence. He has also included a special appendix of relevant documents including materials related to the September 11 attacks and published manifestos issued by Osama bin Laden and Palestinian suicide-martyrs"--Provided by publisher.
