The Shark Island "Death" Camp and the Formation of Genocidal Genealogies
The Measurement and Appropriation of Herero and Nama Bodies, the Rise of German Racial Sciences, and the Afterlife of Iconic Materials for Anti-humanist Diatribes;
Conclusion;
5 American "Concentration" Camp Debates and Selective Remembrances of the Philippine-American War;
Forgotten American Camp Cultures, the Archives, and Contested Remembrances of the Philippine-American War;
The Battle for Manila, the "Liberation" of the Filipinos from Spanish "Oppression," and the Formation of the First American Camps
Anti-Imperialist Critiques of Camps, American Expansionist Policies and the Discovery of the "Water Cure" Atrocities

Sommario/riassunto

The concentrations camps that existed in the colonised world at the turn of the 20th Century are a vivid reminder of the atrocities committed by imperial powers on indigenous populations. This study explores British, American and Spanish camp cultures, analysing debates over their legitimacy and current discussions on retributive justice.
