Sommario/riassunto

A unique approach to policy implementation with essential guidance and useful tools *Cultivating Effective Implementation: The Practice of Integrating Policy and Management* presents an instrumental approach to implementation analysis. By spanning policy fields, organizations, and frontline conditions in implementation systems, this book provides a robust foundation for policy makers, public and nonprofit managers and leaders. Detailed case studies enable readers to identify key intervention points, become more strategic, and improve outcomes. The engaging style and specific examples provide a br
