Classificazione	HIS000000HIS036030HIS031000
Disciplina	973.3
Soggetti	Amerikanische Revolution Erinnerung United States History Revolution, 1775-1783 Public opinion United States History Revolution, 1775-1783 Influence United States History Revolution, 1775-1783 Historiography United States History Revolution, 1775-1783 In motion pictures
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Front matter -- Contents -- List of Illustrations -- Acknowledgments -- Introduction -- 1 Truths That Are Not Self-Evident -- 2 We Have Not Yet Begun to Write -- 3 We the Tourists -- 4 Give Me Liberty's Kids -- 5 To Re-create a More Perfect Union -- Conclusion -- Further Readings -- Index -- About the Author
Sommario/riassunto	"The American Revolution is all around us. It is pictured as big as billboards and as small as postage stamps, evoked in political campaigns and car advertising campaigns, relived in museums and revised in computer games. As the nation's founding moment, the American Revolution serves as a source of powerful founding myths, and remains the most accessible and most contested event in U.S. history: more than any other, it stands as a proxy for how Americans perceive the nation's aspirations. Americans' increased fascination with the Revolution over the past two decades represents more than interest in the past. It's also a site to work out the present, and the future. What are we using the Revolution to debate? In Fighting over the Founders,

Andrew M. Schocket explores how politicians, screenwriters, activists, biographers, jurists, museum professionals, and reenactors portray the American Revolution. Identifying competing 'essentialist' and 'organicist' interpretations of the American Revolution, Schocket shows how today's memories of the American Revolution reveal American's conflicted ideas about class, about race, and about gender--as well as the nature of history itself. Fighting over the Founders plumbs our views of the past and the present, and illuminates our ideas of what United States means to its citizens in the new millennium"-
