Sommario/riassunto	In the twenty-first century, a network society is emerging. Fragmented, visually saturated, characterized by rapid technological change and constant social upheavals, it is dizzying, excessive, and sometimes surreal. In this breathtaking work, Steven Shaviro investigates popular culture, new technologies, political change, and community disruption and concludes that science fiction and social reality have become virtually indistinguishable. Connected is made up of a series of mini-essays-on cyberpunk, hip-hop, film noir, Web surfing, greed, electronic surveill

Sommario/riassunto	""Like others trying to incorporate hypnotherapy into their practice, I found myself struggling with the question, ""Where do I begin?"" This book provides that answer [It]offers the first complete presentation of [the] fundamentals [of hypnotic relaxation therapy] in a manner that is not only supported by empirical research, but is consistent with the author's 30 years of experience as a clinical practitioner. In contrast to a ""one-size-fits-all approach,"" this book provides specific, easy-to-follow guidelines for developing hypnotic suggestions in a flexible manner that will enable the cli
